

ZERTIFIKAT

for the

R1 energy efficiency

TRB Bitterfeld

PD energy GmbH

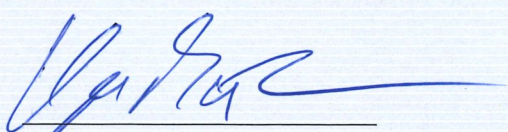

for the site Oststraße 1, 06749 Bitterfeld-Wolfen

The above-named company was successfully audited and meets all requirements for recovery according to Annex II of Directive 2008/98/EC (Waste Framework Directive) and the Annex II of the Closed Substance Cycle Act (KrWG). The R1 energy efficiency was calculated in compliance with the "Guidelines on the R1 energy efficiency formula in Annex II of Directive 2008/98/EC" and the German LAGA Mitteilung 38 "Vollzugshinweise für die Anwendung der R1-Formel für die energetische Verwertung von Abfällen in Siedlungsabfallverbrennungsanlagen gemäß der EU-Abfallrahmenrichtlinie". It was proved that the waste incineration in the plant is a "Recovery operation".

R1-Value 2022

0.73
